

# Health & Safety Mission

- We will provide a safe and healthy workplace for everyone at Barry Callebaut
- Our ambition is to achieve Zero Accidents and zero harm for all employees, contractors and visitors in all Barry Callebaut premises.
- We all act responsibly and provide leadership, visible commitment, resources, safety standards and training to achieve our safety mission.
- We will create a working environment where everyone feels comfortable to raise safety issues that contribute to the Zero accidents and Zero harm ambition.
- We respond promptly, responsibly and effectively to concerns, near misses, incidents and emergencies and will strive to ensure that no accident happens twice.
- We commit to continuously improve our safety performance through active listening, learning, hazard and risk reviews
